Keys & Fiddle run through the same amp. The amp has a 1/4 send to a D.I box or can be mic'd.

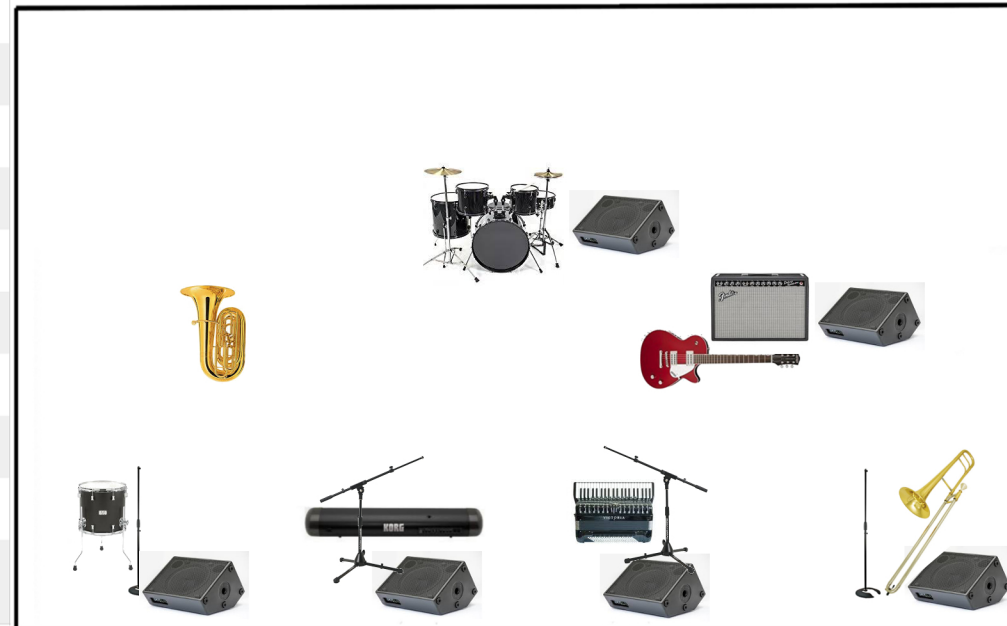

Guitar/Banjo is also run through the same amp. Banjo may not be used in every set.

Tuba runs wireless and has a MIC in his bell. Only needs an XLR line.

No phantom power.

Extra floor tom is played by Tuba player and Keys.

Keys vocalist runs vocals through a TC Helicon vocal processor.
